The Gobelites of Mayaville had best speak gently of "lawless mountaineers," for some of these "red-handed outlaws" ask a few questions about the disposition of one DICK COLEMAN. You see, the fellow who lives in a plateglass window should be careful about shying bricks across the street.

HERE is a chance for Mr. BRYAN. The Tagal organ in the Philippines, The Independence, declares that "BRYAN, BRYAN and BRYAN are the glorious triad of our political redemption." If Mr. BRYAN and his associates in the United States are sufficiently helpful to enable AUGUSTO to establish independence in the Philippines, Mr. BRYAN might transfer his Presidential aspirations to that spot, where he appears, according to The Independence, to be extremely popular.

Pain delays are caused by experiment, when the patient is not sure of the remedy and will prevent a cure from coming in. In the case of J. W. Wood & Son and Armstrong & Co.

The bronze badge which Wisconsin is to give to the battleship named in honor of the state, has been cast in Chicago, and weighs, with the shield upon which it rests, 1,200 pounds. The shield bears the state coat-of-arms, with the word "Forward," the state motto. The whole is made from solid bronze, and cannon, and the design is by Paul Kepper.

There is probably no disease or condition of the human system that causes more suffering than that which is called Taber's Backache. This Old-time cure, known as Taber's Backache, is sold in bottles. Price, 50 cents in bottles. Sales, 25 cents. J. W. Wood & Son.

The Lizzie Hay goes to Pomeroy tonight.

The Avation will pass down from Pomeroy tonight.

The Virginia with a big trip will pass down tonight from Pittsburgh.

A second loan on a contract for 30,000 tons of Alabama coal has arrived at New Orleans.

The boilers of the towboat Ironclads are 21 years old. She's in "spring chicken" herself.

The defender left Louisville for New Orleans with 28 coalboats, 1 barge of rails and 1 barge of rails.

The Mississippi above Cairo is full of heavy ice, while above St. Louis it is frozen in several places.

The Raymond Horner left Sewickley yesterday with a big tow of coal. She has been laid up three weeks.

The "combine" towboats and barges are seriously interfering with the steamboats in hauling freight.

Ex-Congressman John L. Vance, President of the Ohio Valley Improvement Association, is critically ill at his home at Hallsville.

The big W. O'Neill left Louisville, bound for New Orleans, with 28 coalboats, 3 barges railroad iron and 1 barge steel rails and wire.

The body of Ed. Lee Anderson, the drowned steward of the Stanley, was found frozen to the river bank Friday near where the boat was sunk.

Green River is on another "high one," and will rise above the normal in many places. Thousands of sawlogs can now be moved out of the bottom.

Captain Jacob Clark, owner of the Cincinnati harbor towing steamer Mary P. Golden, is very ill with an attack of pneumonia. The Golden is laid up in the Lieking.

Press Ellison, who has for a number of seasons been one of the clerks on the Pittsburgh packet line steamer Keystone State, has resigned and will engage in business on shore.

George W. Edgington, Jr., pilot on the independent Port-mouth packet line, is expected to arrive in the city with a large Jackknife. Pilot Ira Shaw is at the Speedwell's wheel until Pilot Edgington resumes.

The big City of St. Louis, with 150 passengers aboard, going to the New Orleans Mardi Gras and having about 1,000 tons of freight, has been caught above Cairo, in the Upper Mississippi, between two ice gofers. Beside the City of St. Louis fears are entertained for the safety of the City of Memphis and one of the Lee Line boats that left St. Louis with the City of St. Louis Thursday night.

Yen. Augustus Power still has the largest sale of any medicine in the city. His four brothers and grandsons never thought of using anything else for Indigestion or Biliousness. Doan's was scarce and they seldom used it. Appendicitis, Nervous Prostration or Heart Failure, etc. They used Doan's to cure the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and muscular system, and that is all they took when feeling bad and with nothing to lose. They used a few doses of Doan's August Power, in their home, because they satisfied there is nothing better for the matter with you. For sale by J. C. Power.

In Germany, between Dusseldorf and Crefeld, a distance of fourteen miles, an express train is run by electricity at a maximum speed of thirty-seven miles an hour.

The most valuable natural bridge in the world is to be found in Arizona, lying across a deep chasm 400 feet in width. It is a petrified tree about 4 feet in diameter and about 100 feet in length. It is pure sand all through, and therefore is much more valuable as regards material than any bridge of marble or granite would be.

W. L. Yancy, Paducah, Ky., writes: "I had a severe case of kidney disease, and three of the best physicians in southern Kentucky treated me with dry calomel. I was induced to try Foley's Kidney Cure. The first bottle gave immediate relief, and the three bottles cured me permanently. I gladly recommend this wonderful remedy." J. W. Wood & Son and Armstrong & Co.
